ENERGY DATA SHEET

AUSTROFLAMM

as per Regulation (EC) / 2015/1186

Model	**Scotty Duo 2.0**
Manufacturer	**Austroflamm GmbH** **Austroflamm-Platz 1** **A-4631 Krenglbach**

Energy efficiency class	A+
Direct heat output [kW]	9.4
Energy efficiency index	119
Efficiency / thermal efficiency / fuel energy efficiency at nominal heat efficiency [%]	90.0

Note

Fire protection- and safety distances from flammable building materials must be complied with! Sufficient combustion air must always be capable of flowing into the fireplace. Air extraction systems may disrupt the supply of combustion air!

11/2021 version I Austroflamm GmbH, A-4631 Krenglbach 812101 Scotty Duo 2.0
