

ENERGY DATA SHEET

As per Regulation (EC) / 2015/1186

Model
Manufacturer

Cody
Austroflamm GmbH
Austroflamm-Platz 1
A-4631 Krenglbach

| | |
|--|------|
| Energy efficiency category | A+ |
| Direct heat output | 8kW |
| Energy efficiency index | 107 |
| Fuel energy efficiency at nominal output | 81 % |

Note

Fire protection- and safety distances from flammable building materials must be complied with! Sufficient combustion air must always be capable of flowing into the fireplace. Air extraction systems may disrupt the supply of combustion air!
