

ENERGY DATA SHEET

as per Regulation (EC) / 2015/1186

Model 48x51x51 S3
Manufacturer Austroflamm GmbH
Austroflamm-Platz 1
A-4631 Krenglbach

| | |
|---|-------|
| Energy efficiency class | A+ |
| Direct heat output [kW] | 10.0 |
| Energy efficiency index | 108.0 |
| Efficiency / thermal efficiency / fuel energy efficiency at nominal heat efficiency [%] | 82 |

Note

Fire protection- and safety distances from flammable building materials must be complied with! Sufficient combustion air must always be capable of flowing into the fireplace. Air extraction systems may disrupt the supply of combustion air!
