

# ENERGY DATA SHEET

As per Regulation (EC) / 2015/1186

**Model**  
**Manufacturer**

**Cody**  
**Austroflamm GmbH**  
**Austroflamm-Platz 1**  
**A-4631 Krenglbach**

Energy efficiency category	A+
Direct heat output	8kW
Energy efficiency index	107
Fuel energy efficiency at nominal output	81 %

## Note

Fire protection- and safety distances from flammable building materials must be complied with! Sufficient combustion air must always be capable of flowing into the fireplace. Air extraction systems may disrupt the supply of combustion air!
